

## INVITED LECTURES

1. Northeastern Neurosciences Group. Myasthenia gravis, 1995.
2. Faculty of Medicine, Khon Kaen University. Myasthenia gravis, 1995.
3. Mahosod Hospital, Vientiane, Lao PDR. Migraine, 1995.
4. Northeastern Neurosciences Group. Clinical use of intravenous immunoglobulin, 1996.
5. Northeastern Neurosciences Group. Management of epilepsy, 1996.
6. Northeastern Neurosciences Group. Current management of stroke, 1996.
7. Department of Medicine, Faculty of Medicine, Khon Kaen University. Epilepsy, 1996.
8. Faculty of Medicine, Khon Kaen University. Cavernous sinus syndrome, 1996.
9. Northeastern Neurosciences Group. Cardiogenic cerebral embolism, 1996.
10. Faculty of Medicine, Khon Kaen University. Symposium : management of epilepsy, 1997.
11. Faculty of Medicine, Khon Kaen University. Management of epilepsy and cost-effective, 1998.
12. Faculty of Medicine, Khon Kaen University. Symposium : update management of stroke, 1998.
13. Faculty of Medicine, Khon Kaen University. Symposium : case studys in epilepsy, 2001.
14. Kalasin Hospital. Epilepsy for GP, 2001.
15. Annual Meeting of Neurological Society of Thailand. Case study: transient loss of consciousness, 2001.
16. Faculty of Medicine, Khon Kaen University. Symposium : update management of epilepsy, 2002.
17. Faculty of Medicine, Khon Kaen University. Refresher course in epilepsy, 2002.
18. Annual Meeting of Royal College of Physicians of Thailand. Case study in epilepsy, 2002.
19. Faculty of Medicine, Khon Kaen University. Dyslipidemia and stroke, 2002.
20. Faculty of Medicine, Khon Kaen University. Symposium : management of Parkinson's disease, 2002.
21. Faculty of Medicine, Khon Kaen University. Symposium : management of epilepsy in elderly and pregnancy, 2002.
22. Udorn Thani Hospital. Update management of stroke, 2002.

23. Faculty of Medicine, Khon Kaen University. Symposium: new antithrombotic trials to clinical practice, 2002.
24. Faculty of Medicine, Khon Kaen University. Symposium: Heart protection study: what are its implications for practices?, 2002.
25. Annual Meeting of Royal College of Physicians of Thailand. Symposium: management of epilepsy, 2002.
26. Udon Thani Hospital. Management of epilepsy for GP, 2002.
27. North-Eastern Neuroscience Association and Thai Neuroscience Society, Khon Kaen. Practice Seizure Management: Starting and Stopping Antiepileptic Drugs, 2003

#### FIELD OF INTEREST

1. Epilepsy
2. Stroke
3. Myasthenia gravis
